

ROUND 2

Lugupeetud Markus Martin,

Sõber, keda järgneval kahel nädalal palves hoida saad on  
Anett Marvet

To be prayed for is to be loved twice: once by the person praying and once again by the God who hears those prayers. Does adding a multitude of prayers together somehow tip the balance of heaven's scales or beat down heaven's door, getting the request being asked for? Well, no. But it does add up to an amazing amount of love, a choir of love, a cheering stadium of love. And God pays attention to love like that.

Ja palve ja anumisega palvetage igal ajal Vaimus ning selleks valvake kogu püsivusega ja eestpalvetega kõigi pühade eest (Ef 6:18)
